

**Tender Perennials SIG Lancaster County Nursery Tour**  
**Saturday, April 27, 2019**

**Note:** Many of the greenhouses/nurseries in Lancaster Co. are Amish or Mennonite owned and are closed Sundays and certain holidays such as Ascension Day, in addition to most other Christian religious holidays. If in doubt, it is best to call (although some have no telephone). Most of the nurseries now accept credit cards but a few small ones may only take checks.. Often roads are one name on one side of an intersection, quite another name on the other side. Any road can have 3 or 4 different names as you go through small settlements. Be especially cautious of farm equipment and Amish buggies. **DO NOT tailgate.** There are several blind intersections, so stay alert. Several of the nurseries now have information online as well as directions.

**If you discover any other interesting sites, please let us know and we will add them for next year!**
