Ronald McDonald House
Report to President
June 2013

As always, our flower arrangements were well received at the Ronald McDonald House at St. Christopher's Hospital.

Weeders Ellen Pemberton and Patricia Doolittle met at Wendy Bailey's house on Monday, October 22, 2012. Five arrangements were created and delivered by Patricia. We had fun with the Halloween theme and also delivered candies and 1 arrangement was in a Jack-O-Lantern and one in a witch's cauldron.

On Monday, March 25, 2013 the team of Ellen Pemberton and Patricia Doolittle was joined by Diane McAllister at Wendy Bailey's house. Seven beautiful arrangements were created for Easter Week and delivered on a snowy day along with one Easter lily plant.

Respectfully submitted,

Wendy Bailey
