Annual Report
June 12, 2018

Thank you, Jackie. Upon searching my computer yesterday, I realized I'd never actually written an annual report for this before. But you did ask...

I suspect that in recent years I simply stood up and said that it was great being in charge of this ostensible committee, because 90 percent of the work was done by Lorraine, whom I have gladly helped for many years. It has come to my attention, however, that Lorraine has better things to do, and so the usual August scramble to get out the printed booklet will be more of a scramble than ever before. HOWEVER, I know there are a few exceptionally capable members who will be spending some time with me this August. My gracious thanks to you.

I really have nothing more to say on this matter. Given the fact that we have a website and email, all of you should rest easy knowing you'll have all the information you need, whenever you need it!

Respectfully submitted,
Cheryl Cheston, Chair
